Thanks for your work on the letter to the commission.

I am going to have to resign from the committee after the meeting on June 16th. My husband will be retiring and we are relocating to North Carolina. I have enjoyed working with you and the other committee members. I am impressed with the quality of the suggestions that are presented on the behalf of the senior citizens of Leon County. We will continue to receive the Tallahassee Democrat Sunday paper and hope to see the programs that are put in place.

Sincerely,
Jo Ann Black
